KIRTI LOHCHAB

Full Stack Developer

SUMMARY

I am a passionate full-stack developer with a Master of Computer Applications (MCA) from Jain University. I specialize in both front-end and back-end technologies, utilizing modern frameworks and libraries to create robust, scalable, and efficient applications.

SKILLS

- Front-End: HTML, CSS, React, Redux Toolkit, Next.js, Bootstrap, Tailwind CSS
- Back-End: Node.js, Express.js
- Databases: MongoDB, SQL
- Languages: Core Java, JavaScript, and TypeScript

EDUCATION

Master of Computer Applications
Jain University (2022 – 2024)

CERTIFICATIONS

- Data Visualization using Power BI, Jain university,
- Digital Marketing, Jain university,
- Blockchain, Jain university,
- Internet of Things, Jain university,
- Artificial Intelligence, Jain university,

PROJECTS

Full-Stack Project E-commerce Website

Technologies: React.js, Redux Toolkit, RTK Query, TypeScript, Node.js, Express.js, MongoDB

- Developed a full-stack e-commerce website using the MERN stack.
- Implemented user authentication, product management, and shopping cart functionalities.
- Managed state using Redux Toolkit and handled data fetching with RTK Query.
- Built RESTful APIs with Node.js and Express.js, and utilized MongoDB for the database.
- Ensured responsive design and optimized user experience across devices.
- Collaborated with designers and other developers to ensure high-quality deliverables.

Frontend Project - Travel Website

Technologies: HTML, CSS, JavaScript and Bootstrap

Description: Developed a responsive travel website providing detailed information about various destinations, booking options, and travel tips.

Key Contributions:

- Implemented a responsive layout using Bootstrap's grid system, ensuring compatibility across devices.
- I created interactive elements like carousels and modals with JavaScript and Bootstrap.
- Designed custom CSS for enhanced visual appeal and consistency.
- Developed and validated user forms for bookings and contact purposes.
- Ensured cross-browser compatibility for a seamless user experience.
